

Cigar Search Terms from Just One Blog Post?!

This is continued from the article titled "[Cigar Prices Rising With Bad SEO and Social Media Marketing](http://www.awebguy.com/2010/04/cigar-prices-rising-with-bad-seo-and-social-media-marketing)" at <http://www.awebguy.com/2010/04/cigar-prices-rising-with-bad-seo-and-social-media-marketing>

The list below includes the top 200 cigar search phrases generated from a single blog post about cigars on a blog that is not even about cigars. It should make a person wonder what happens if I write two ... or three, four, etcetera.
